EXCEL VS. SOFTWARE

Agile vs. Waterfall
Quick Comparison

Waterfall

Define → Design → Develop → Test → Deploy → FINAL OUTCOME

Agile

Define → Design → Test → Develop → Deploy → SPRINT'S OUTCOME

Define → Design → Test → Develop → Deploy → SPRINT'S CUMULATIVE OUTCOME

Define → Design → Test → Develop → Deploy → SPRINT'S CUMULATIVE OUTCOME

Software projects are part of our jobs and spending time planning for them on the front end and getting buy-in from the team will pay off tremendously when the project goes live.
